

# Allegion Finalizes Acquisition of High-Performance Door Manufacturer AD Systems

DUBLIN--(BUSINESS WIRE)-- **Allegion plc** (NYSE: ALLE), a leading global security products and solutions provider, has completed, through one of its subsidiaries, the previously announced acquisition of Aurora Systems, Inc. (AD Systems).

**AD Systems** – founded in 2013 – designs and manufactures high-performance interior and healthcare door systems, specializing in sliding and acoustic solutions. AD Systems’ portfolio includes sliding and swinging door solutions, perimeter frames, door hardware, gasketing, seals and sidelite panels under its ExamSlide™, OfficeSlide™ and InsetSlide™ product brands. The company is based in Everett, Wash.

Allegion announced its intent to purchase AD Systems in February 2018. For more information, see the [original press release](#).

*This press release contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements that relate to the acquisition's impact on the company's financial and operational performance, the acquisition's ability to drive growth and the integration of the acquisition. These forward-looking statements are based on the company's current available information and its current assumptions, expectations and projections about future events. They are subject to future events, risks and uncertainties - many of which are beyond the company's control - as well as potentially inaccurate assumptions, which could cause actual results to differ materially from those in the forward-looking statements. Further information on these factors and other risks that may affect the company's business is included in filings it makes with the Securities and Exchange Commission from time to time, including its Form 10-K for the year ended Dec. 31, 2017, and in its other SEC filings. The company assumes no obligations to update these forward-looking statements.*
