Allegion Acquires SOSS Door Hardware, Adding Another Category Leader to Its Safety and Security Portfolio

DUBLIN--(BUSINESS WIRE)-- **Allegion plc** (NYSE: ALLE), a leading global security products and solutions provider, through one of its subsidiaries, has acquired SOSS Door Hardware (SOSS).

A leading manufacturer of premium hinges and door hardware, SOSS primarily sells its solutions in North American non-residential markets. Founded in 1903, the company invented the concealed hinge; today, it's signature SOSS Invisible Hinge as well as fire-rated, heavy-duty and other specialty hinges are popular across industrial, commercial and institutional spaces.

SOSS will report into the Allegion Americas segment, led by Allegion Senior Vice President Dave Ilardi.

"SOSS is a pioneer with more than a century of manufacturing high-quality safety and security products, just like other leading Allegion brands," Ilardi said. "SOSS solutions complement our Ives, Glynn-Johnson and Zero International door hardware, allowing us to specify and supply a broader portfolio to our customers, and ultimately growing this core part of our business."

Terms of the transaction were not disclosed.

About Allegion

Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, and Section 21E of the Securities Exchange Act of 1934, including, but not limited to, the company's ability to successfully integrate the acquisition, achieve anticipated strategic and financial benefits from the acquisition, and statements regarding the company's 2024 and future financial performance, the company's business plans and strategy, the company's growth strategy, the company's capital allocation strategy, and the performance of the markets in which the company operates. These forward-looking statements generally are identified by the words "believe," "aim," "project," "expect," "anticipate," "estimate," "forecast," "outlook," "intend," "strategy," "future," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result" or the negative thereof or variations thereon or similar expressions generally intended to identify forward-looking statements. Forward-looking statements may relate to such matters as projections of revenue, margins, expenses, tax rate and provisions, earnings, cash flows, benefit obligations, dividends, share purchases or other financial items; any statements of the plans, strategies and objectives of management for future operations, including those relating to any statements concerning expected development, performance or market share relating to our products and services; any statements regarding future economic conditions or our performance; any statements regarding pending investigations, claims or disputes; any statements of expectation or belief; and any statements of assumptions underlying any of the foregoing. Undue reliance should not be placed on any forward-looking statements, as these statements are based on the company's currently available information and our current assumptions, expectations and projections about future events. They are subject to future events, risks and uncertainties - many of which are beyond the company's control - as well as potentially inaccurate assumptions, that could cause actual results to differ materially from those in the forward-looking statements. Important factors and other risks that may affect the company's business or that could cause actual results to differ materially are included in filings the company makes with the Securities and Exchange Commission from time to time, including its Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q and in its other SEC filings. All forward-looking statements in this press release are expressly qualified by such cautionary statements and by reference to the underlying assumptions. The company undertakes no obligation to update these forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
